Hi All-

(b)(5) attorney-client, (b) (7)(E) EPA incurred approximately \$636,000 in this time-critical removal action. (b)(5) attorney-client, (b) (7)(E) The PRP Search Report and cost summary have been submitted to the Record Center, but have not yet been processed, fyi. I did not have a

chance to submit the 104(e) responses – many of them came in hard copy and they are in the lower drawer of my large filing cabinet if anyone wants access to them.

Please review this draft and send me any comments. If you can get me your comments by COB Thursday, I will incorporate them. Otherwise please send your comments to Maureen and she can incorporate them and put the finishing touches on the memo.

If you have questions, the best way to reach me this week is via email.

Thanks,

Kris
